This widely adopted text and K-8 practitioner resource demonstrates how successful literacy teachers combine explicit skills instruction with an emphasis on reading for meaning. Distinguished researcher Richard L. Allington builds on the late Michael Pressley's work to explain the theories and findings that guide balanced teaching and illustrate what exemplary lessons look like in action. Detailed examples offer a window into highly motivating classrooms around the country. Comprehensive in scope, the book discusses specific ways to build word recognition, fluency, vocabulary, and comprehension, especially for readers who

reader through the classic story told by the exquisite craft of Jerry Pinkney's illustrations. In Traditional Chinese. Distributed by Tsai Fong Books, Inc.

A Trip to China is a two-volume textbook for students who have studied one year of Chinese. It is written for the same level as Chou and Chao's Intermediate Reader of Modern Chinese, but it differs in its focus. The former is a textbook that deals mainly with contemporary college life in America, while A Trip to China discusses the Chinese people and current issues in China from the point of view of an American student. Audio and video materials are available for use with this text. For further information, contact the Chinese Linguistics Project, 231 Palmer Hall, Princeton University, Princeton, N.J. 08544.
