"Olivia, I bought your House of Romance Super Bundle and I thought I would save it and read one story a day for about a week. I thought I would spread it out. That did not happen. I started reading Saturday night and I could not stop. I read and read and read and read and suddenly, I was on Part 16. My partner showed up coming home from

work very late that night and read with me for the last two. She had no problem jumping in because of the way you have set up the books. I like that you do not have to read these lesbian romance stories in order. What a blast! Thank you Olivia!" Grace, Chicago, IL " I read 'Just for Fun,' of course, that being the first part of the series. I thought I might have to read from one story to the next to the next to know what was going on. I was reading another lesbian romance series, and if you missed one episode, you were all messed up. Your series, 'The House of Romance,' is very different from any I have ever read. For me I could skip around and always know what was going on from one story to another. Plus, each story has a different view on life, and some kind of message. I really like that with the very naughty stuff you have in there too. Lots of that." Rose, Montgomery, AL "All that I can ask is, when are you coming out with the next House of Romance book? Eight Olivia Hampshire, lesbian romance stories are not enough!" Judy, Puerto Vallarta, MX "I just loved all of your House of Romance pieces of work. You just take lesbian romance stories to a different level. Sure, I ?m a lesbian, but many of these writers write like all I want to read about is stupid stuff that goes on in New York or Los Angeles and stupid people having sex for no reason. I liked your messages about life and life's challenges. You have women in your stories from all walks of life and professions. Thank you Olivia, please don't come out of your house, just write and write and write some more." Beth's hottest fantasy was fulfilled last night: two dominant dykes used her as their submissive little toy. Now, she's tied to a chair with her own thong, and her strict, demanding Mistress wants her to write about it! Can Beth complete her steamy assignment before her spank-happy Mistress gets too impatient? Warning: ADULTS ONLY! At 6,077 words, this ubersexy story will leave you steamy and moaning for more. EXCERPT: When I opened the door, your eyes were as hot on my body as I'd pictured in my imagination. My whole world was you as you grabbed me roughly by my hair and hotly kissed me with brazen passion, your tongue stabbing my mouth, your hands skimming greedily down my silk-clad curves. Only as I was gasping for breath after you let me go and swept by me abruptly into my apartment, did I notice that you weren't alone! She stood there in the hall, a smug, knowing smirk on her beautiful face. It brought a hot blush to my face knowing she'd been there the whole time. Her clothes looked as expensive and well-made as the ones you'd sent me to wear that evening, and only slightly less provocative. Her chestnut curls cascaded down her body, brushing the sides of her breasts, encased in a tightly laced corset. Her legs and hips looked absolutely poured into shiny latex leggings. I didn't think it was possible for another woman as gorgeous as you to love women; but yet again, you've proven me wrong beyond my wildest dreams. She kept her eyes on me as she strode past me into my apartment, grabbing me by my wrist as she went, dragging me in and slamming the door. I felt my cheeks grow hot again as she boldly groped me, right there in front of you! She hadn't even told me her name; she hadn't even said a word to me, yet here she was, her hands everywhere, and you watching us like a hawk! I was quivering with desire, humiliation, and shock. I couldn't believe it, and it was better than I'd ever pictured. The night could have ended like that and I could die happy, but you, you had so much more in store for me.

group of women in a pivotal time and place – Paris, Between the Wars – fostered the birth of the Modernist movement. Sylvia Beach, Bryher, Natalie Barney, and Gertrude Stein. A trailblazing publisher; a patron of artists; a society hostess; a groundbreaking writer. They were all women who loved women. They rejected the patriarchy and made lives of their own – forming a community around them in Paris. Each of these four central women interacted with a myriad of others, some of the most influential, most entertaining, most shocking and most brilliant figures of the age. Diana Souhami weaves their stories into those of the four central women to create a vivid moving tapestry of life among the Modernists in pre-War Paris.

Lisa and Rebecca have been super close friends forever. Both are single freelancers in their early 30s and frequently meetup for lunch dates. One might have..., the other....I'm not so sure! Both were flustered with deep-seated questions. Neither were sure talking about it would bring the relationship back to what it once was or at least what they thought it was. Did they secretly crave more? Were they just going to blame it on the alcohol and move on? The question they both keep asking themselves, is not the question they should have asked! Do they want their mid-day lunches back or do they want their steamy evenings? Neither know what they want, but they both know, they can't ignore their awakening!
