work than he ever imagined. With the clock ticking, Bill must organize work flow streamline interdepartmental communications, and effectively serve the other business functions at Parts Unlimited. In a fast-paced and entertaining style, three luminaries of the DevOps movement deliver a story that anyone who works in IT will recognize. Readers will not only learn how to improve their own IT organizations, they'll never view IT the same way again. Available in a variety of formats, this summary is aimed for those who want to capture the gist of the book but don't have the current time to devour all 376 pages. You get the main summary along with all of the benefits and lessons the actual book has to offer. This summary is not intended to be used without reference to the original book.

Over a half-million sold! The sequel, The Unicorn Project, is coming Nov 26 “Every person involved in a failed IT project should be forced to read this book.”—TIM O'REILLY, Founder & CEO of O'Reilly Media “The Phoenix Project is a must read for business and IT executives who are struggling with the growing complexity of IT.”—JIM WHITEHURST, President and CEO, Red Hat, Inc. Five years after this sleeper hit took on the world of IT and flipped it on it's head, the 5th Anniversary Edition of The Phoenix Project continues to guide IT in the DevOps revolution. In this newly updated and expanded edition of the bestselling The Phoenix Project, co-author Gene Kim includes a new afterword and a deeper delve into the Three Ways as described in The DevOps Handbook. Bill, an IT manager at Parts Unlimited, has been tasked with taking on a project critical to the future of the business, code named Phoenix Project. But the project is massively over budget and behind schedule. The CEO demands Bill must fix the mess in ninety days or else Bill's entire department will be outsourced. With the help of a prospective board member and his mysterious philosophy of

The Three Ways, Bill starts to see that IT work has more in common with a manufacturing plant work than he ever imagined. With the clock ticking, Bill must organize work flow streamline interdepartmental communications, and effectively serve the other business functions at Parts Unlimited. In a fast-paced and entertaining style, three luminaries of the DevOps movement deliver a story that anyone who works in IT will recognize. Readers will not only learn how to improve their own IT organizations, they'll never view IT the same way again. “This book is a gripping read that captures brilliantly the dilemmas that face companies which depend on IT, and offers real-world solutions.”—JEZ HUMBLE, Co-author of Continuous Delivery, Lean Enterprise, Accelerate, and The DevOps Handbook ———— “I’m delighted at how The Phoenix Project has reshaped so many conversations in technology. My goal in writing The Unicorn Project was to explore and reveal the necessary but invisible structures required to make developers (and all engineers) productive, and reveal the devastating effects of technical debt and complexity. I hope this book can create common ground for technology and business leaders to leave the past behind, and co-create a better future together.”—Gene Kim, November 2019

My mother taught me to embrace my gift. I was special, she said, and one day I would change the world. But that was before they murdered her and forced me into a cage. All those things that once made me special became my curse. And the gift I'm blessed with became a weapon to use against me. When the chance of freedom presents itself, I take it, Seeking to reclaim the life they stole from me. But when a twist of fate turns my curse into the cure. I'll have to make a choice; Fall on the sword that cut me down, or use it to slay my demons. My mother said I would change the world, and I did. But she said nothing about saving it.

leader, a soldier. Until one day she fought back... at a terrible cost. Ashe and her remaining family flee towards the city of Luca, a dark, grim metropolis riddled with violence and disease. Despite this, and the loss that haunts them still, they manage to thrive and stay hidden from their creators. All that is threatened when Ashe saves the life of Nick, a member of the resistance group known as Phoenix. Nick is convinced that Ashe is the key to bringing down a corrupt government and building a better tomorrow, and Ashe finds herself increasingly drawn to him. But then the past catches up to them and Ashe is forced to finally confront her true purpose... The explosive first installment of the Phoenix Project Trilogy mild swearing, mild sexual content

In Salverford, time was obsolete anyway. One day drifted into the next and the next... And without any sense of time, how could he move on? Time heals all wounds... So where did that leave him? One man battles through guilt and redemption in D.M. Cain's riveting new novel, The Phoenix Project. Britain has descended into chaos as violence and terrorist attacks seethe across this once-peaceful country. Outraged by the steady stream of lawlessness, citizens demand a harsher penal system, and the Phoenix Project is born. In prisons across the country, inmates fight to the death in a weekly bloodbath while the nation cheers them on. Raven Kennedy, a prisoner who has never forgiven himself for his unspeakable crime, struggles against his own guilt and self-loathing. But even as the real war wages on within himself, Raven is forced to battle some of the prison's most ruthless killing machines. Can he survive long enough to unravel the anger and regret that shackle him-and one day find the forgiveness he seeks? 'The Phoenix Project by D.M. Cain is a superbly written debut, soaked in tension and intrigue,' Jack Croxall, author of the 'Tethers' trilogy..
